

# 1 AC: \_\_\_\_\_

## **Introduction and Resolution**

Provide any specific introductions and provide resolution.

---

---

---

---

## **Definitions**

Define vocabulary that is important to the resolution or the debate.

---

---

---

---

---

---

---

---

## **Current Problem**

Short tag line to help listeners know basics of problem.

---

## **Claim (inherency)**

Make an argument about a problem that exists now that would be solved if we adopted the resolution.

---

---

## **Evidence**

Provide cited evidence and an explanation of how that evidence shows that the problem exists.

---

---

---

---

---

---

---

---

---

---

---

---

**Evidence cont.**

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Resolution and Plan**

Restate the resolution as a way to solve the problem you mentioned above; include a more detailed plan if necessary.

---

---

---

---

Our plan has \_\_\_\_\_ parts:

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**How our plan solves the problem:**

Short tag line to help listeners know basics of how the plan solves the problem

---

---

**Claim (solvency)**

Make an argument about how your plan will solve the problem you mentioned above.

---

---

---

**Evidence**

Provide cited evidence and an explanation of how that evidence shows that the problem would be solved if the plan was adopted.

---

---

---

---

---

---
