B'more yourself!

Debate is about expressing yourself. At our camp, you will get the chance to express your opinion and learn new ways to defend your ideas. You will become a clearer, more confident advocate for making the changes you want to see in the world. Your ideas are powerful; make sure they are heard!

B'more competitive!

Debate is fun, but it is even more fun when you win! We give you the topic and help you develop the arguments and techniques to be successful. Our graduates win tournaments. We hire some of the best high school and college debaters to be your coach for the summer. Learn from them!

B'more fun!

Graduates of the BUDL Summer Camp make friends that last a lifetime. You will meet students from different schools and get to know more people. And it's not all sitting around: everyday presents lots of opportunities to play games, speak out, and move!

B'more prepared!

The BUDL Summer Camp does more than get you ready for the season. You will also get better at public speaking, note taking, organization, and critical thinking. These skills can help you make your dreams a reality!

B'more for life!

Our camp will open doors for you. Debate experience can help you get in to college and to succeed. You get a chance to network with some of the best and brightest, setting you up to succeed in whatever you do!
